The Uninvited Dilemma: A Question of Gender Elizabeth Stuart, Kim E. Stuart, Stuart

"The Uninvited Dilemma" is different from the autobiographies and clinical studies on transsexuality. It represents two years of research involving carefully structured, in-depth personal interviews with seventy-five transsexuals, consultations with members of the medical and mental health communities, and conversations with loved ones of transsexuals. This book will give you an understanding of the true nature of transsexuality. It is a remarkable reading experience for all who are interested in the human condition and and exploration of the most fundamental aspect of our humanity.
